

The Spa at Avalon
“Relax, Renew, Rejuvenate”
Saturday, April 14, 2012

The Foundation for Winter Park TECH, Inc. is seeking your support for the **2012 Spa Day at Avalon** to benefit the Foundation for Winter Park Tech, Inc., a 501 (c)(3) entity. This event will be held on April 14th at the Winter Park Tech – Avalon Campus in East Orlando. Participants will receive massages, facial treatments, manicure and/or pedicures as well as lunch and will be charged only \$75 for a half day at the “Spa!” Your donations will make it possible for the Foundation to help students of Winter Park Tech.

We will have Vendor Tables which should be manned from 8:30 to 4 pm. This is a great opportunity for your business. There will be 30 to 35 spa customers as well as at least 20 staff providing the Spa services. Our Tables will be set up at the Spa location, so everyone will come by your table on the way to and from their Spa Treatment. If you are interested in participating, we are asking for a minimum donation of \$50 and one item to be given away at a raffle during the day. You will also receive a lunch at no additional fee. We will also include your business card in our “goody bags” to be handed out to each of our Spa ‘customers.’ In addition, if you have any small item or coupon you could provide for the goody bag, it would be greatly appreciated!

A number of the students who attend Winter Park Tech are recently unemployed, have families to care for, and are trying to make a better life for themselves. The proceeds from this event will help provide tuition assistance, textbooks, uniforms, testing fees and tools so these students can begin to “build a better future.” With help from the Foundation, dozens of students have been able to complete their studies at Winter Park Tech and pursue opportunities for success in their professional and personal lives. In the current economy, the Foundation is receiving more requests for assistance.

Winter Park Tech is recognized in Central Florida as the leading technical training center for career and technical education which provides a “High-Tech, High Touch” educational environment, state-of-the-art equipment and an exceptional instructional staff where students develop the industry standard technical and soft skills needed in today’s workplace.

Please contact Becky Martin at 407.622.2910 or rebecca.martin@ocps.net or Carol Gann at 407-927-7338 if you would like more information. Please contact us if you would like us to pick up your donations or you are also welcome to drop them off at Winter Park Tech at 901 Webster Avenue in Winter Park or 2201 S. Crown Hill Blvd. in East Orlando.

We thank you in advance for your support.

Sincerely,

Taylor Ward, President
Foundation for Winter Park Tech, Inc.

Bruce Andersen, Director
Winter Park Tech
